Cell Phones: While cell phones have become a part of our everyday life, we encourage you to limit your cell phone use and take time to be present with those around you. That said, we realize that life continues in your absence and sometimes, you just have to take that call. Please note that Verizon and AT&T have decent coverage, but Sprint and T-Mobile have little to no coverage at camp.

Wi-Fi/Electronics: OPCRC has a campus wide wifi network. Please feel free to bring your device that connects via wifi. We ask that you be mindful of your fellow crafters when it comes to electronics. Please bring **headphones** if you plan to listen to music throughout the weekend. We ask that you leave speakers behind as not everyone appreciates your great taste in music.

Welcome Crafters

Pets: While OPCRC is generally a dog friendly facility. When we host individual registration retreats, such as our Craft Retreats, it becomes difficult to host our furry friends. Out of respect to all of our guests for this retreat, we ask that you leave your furry loved ones behind for the weekend. If you would like to book your own retreat, please contact us and we can work with you to accommodate your dog(s). Sorry, no cats.

Camp Store: Please note that we are bringing more items back to our camp store. From sweatshirts (\$30) and t-shirts (\$16) to mugs, cards, and beanies, we have a variety of items for you to take a bit of OPCRC home with you. The store will be open various times throughout the weekend. All major credit cards are accepted at the camp store. **New merchandise in for our 2017 camp season!** If you would like to purchase a shirt online for us to hold until your arrival, please visit our online store at <https://squareup.com/store/ocean-park-camp-and-retreat-center>

Emergency: In the event of a family emergency, the camp number 360.665.4367 is monitored 24/7 during retreats. Please leave this number with your family in the event they might need to get a hold of you during the weekend.

Diet, lodging or other needs: We strive to meet the growing need for special dietary considerations. Please make sure you have indicated your dietary needs on your registration form. There is a refrigerator and microwave available for guest use if you would like to bring some of your own food. Call the camp if you wish to make arrangements or to talk about specific dietary needs.

"The Stash" As mentioned above, there is a refrigerator and microwave available for guest use. We kindly ask that you **keep any snacks/food in the main dining area** and NOT in your rooms as it could attract critters.

Canceling? If you must cancel, do so well ahead time so we can plan appropriately. Call our office at 360-665-4367 if you wish to cancel. Even if you must cancel at the start of the retreat, let us know so that we do not become unduly concerned when you do not show up.
